Guest: Karen McFadden, Capital Improvement Program Committee (CIP)

AEC meeting was called to order at 7:04

Minutes: Fred motion to approve, Mark second. Unanimously approved.

Incumbents: Fred and Jim must renew committee membership

CIP:

Karen is our liaison

Goal: Better maintenance planning

Master plan involves more assessment of land use, zoning, ordinances, services, transportation

CIP: have the land we need, equipment, etc.

AEC should develop need and want list with base \$ - deliver to CIP on June 1, 2024

Karen will send our link to Master Plan and existing bldgs. Condition

10 year plan starting in 2025

- Finish plan by fall, 2024
- \$10k project minimum
- Last plan in 1999
- Karen is the co-chair of the Master Plan, being handed off to the Planning Board this month. Public hearings will follow
- Goal is to review annually, Commission should participate annually to include plans
- Keep goals and potential projects in line for CIP
- Community Solar project could be on list

Fred mentioned light near Atkinson Riding Academy is on all day. Jim asked him to report pole number to John Apple.

Atkinson Energy Aggregation Committee (7:45)

- Voters passed with 86%, selectmen approved contract with CPCNH contingent upon town legal counsel approval. Hopefully to get Sumner's approval this week.
- Jim shared the logos for Atk Community Power
- Recycle signs – Thank you and watch for Atk Community Power letter
- Notice on Atkinson website and in TA's newsletter
- Warning about other companies approaching residents
- Annual meeting of CPCNH is April 25, 2024. Jim is running for Board of Directors. Atkinson gets one vote.

Motion to adjourn by Doug, second by Marie at 8:10.
