

Master Plan Committee Workshop – Post Recreation Focus Group

Tuesday August 1, 2023 8:10 pm

Attendees – John Ottow, Karen McFadden, Ken Grant, Kate Rochford, Sue Coppeta

We discussed the Focus Group on Recreation that had just occurred (6:30 – 8:30pm @ Kimball Library).

We discussed that we felt we needed to cancel the previously scheduled Focus Groups on Water & Housing and move those to September. We also discussed that we should get an estimate from Resilience for them to facilitate a focus group for us.
